

FRIENDS OF BELMONT SOCCER

Do you want to play soccer for Belmont High School?

Friends of Belmont Soccer (FOBS) is a great resource!

Who is FOBS?

FOBS is an all-volunteer organization responsible for providing additional support to the BHS soccer program necessary to supplement beyond the school budget and athletic fees. Visit us at <http://www.friendsofbelmontsoccer.org>

Why we're contacting you now

We want to reach current 8th grade soccer players to improve communications with incoming freshmen players and their families. Our goal is to ensure that incoming freshman players and families are informed of important dates for key events and programs directly related to the BHS Soccer program.

The sooner we can introduce our organization and gather player contact information, the sooner we can add new members to our the FOBS website. At times like this, we are hopeful that families can plan ahead effectively and not miss out on programs and events such as:

- Summer League Game Schedules
- FOBS Pre-Season Strength & Conditioning (new and free!)
- BHS Soccer Tryouts (dates and locations for girls and boys programs)
- Preferred soccer camps players are invited to attend
- FOBS Season Kick-off Party

What we need from you? It's simple!

1. Click on the **Player Contact Form** link below.
2. **Fill out all the fields** in the Player Contact Form.
3. Click **Submit**.

That's it! FOBS volunteers will do the rest. We'll set up your accounts and in a few weeks you'll receive information and important save-the-dates to add to your calendar.
